Transmittal No. 345

Honorable Kimberly D. Bose
Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, DC 20426

Re: F.E.R.C. Tariff No. 101.12.0 cancels F.E.R.C. Tariff No. 101.11.0 (Docket No. IS16-574-000)

Dear Secretary Bose:

The accompanying tariff is sent to you for filing in compliance with requirements of the Interstate Commerce Act ("ICA") and the Commission's regulations. This tariff is issued by Explorer Pipeline Company ("Explorer") and bears the designation as F.E.R.C. No. 101.12.0 which cancels F.E.R.C. 101.11.0. The tariff is filed to become effective July 23, 2017.

FERC No. 101.12.0 provides for volume incentive rates for regular products and specialty products to any Shipper deliveries from Phillips 66 Carrier LLC's ("Phillips 66") Hartford, Illinois Terminal to Explorer's Wood River origin facilities to Explorer's destinations at St. Louis, Missouri; East St. Louis, Illinois; Wood River, Illinois; Irwin/Cochin Terminal, Illinois; Marathon Griffith, Indiana; Hammond, Indiana, and Buckeye Chicago Complex, Indiana. Phillips 66 concurs with the filing of FERC No. 101.12.0. This rate change is due to tariff rate changes and updated terms by Explorer.

- The Table of Contents was updated with correct page numbers;
- Item No. 5, Definitions, updated to align with the Company's definitions as reflected in FERC 100.67.1;
- Item No. 10, Shipper Manual Specifications updated on October 1, 2016;
- Item No. 25, Notice of Intent to Ship; Binding Nominations; Payment Obligations; Shipping Schedules: was modified to align with the Company's terms as reflected in FERC 100.67.1;
- Item No. 45, Measuring, Volume Corrections and Tender Deductions: was modified to align with the Company's terms as reflected in FERC 100.67.1;
- Item No. 90, Proration of Pipeline Capacity: was modified to align with the Company's terms as reflected in FERC 100.67.1;
- Item No. 112, Specialty Products was modified to align with the Company's terms as reflected in FERC 100.67.1;
- Table of Rates, Parts I and II reflect general rate changes of 0.10¢ to 0.70¢ depending on destination.

Explorer was granted market-based authority in Docket OR99-1-000, issued June 30, 1999 (87 FERC ¶ 61,374). Explorer's local rates in connection with the joint tariff are market-based rates pursuant to 18 CFR § 342.4(b). Phillips 66 local rate is initially justified on a negotiated rate pursuant to 18 CFR § 342.2(b). These joint tariff volume incentive rates and specialty product rates to the Explorer destinations listed above are less than or equal to the total rates of the posted tariffs for Phillips 66 and Explorer (participating carriers) as indicated in Phillips 66 FERC No. 4.7.0, Docket No. IS17-268-000, and Explorer's F.E.R.C. No. 100.67.1, Docket No. IS17-422-001. Tariff Rates thereto as indicated below:
